

Sign up for Stone County Emergency Alerts

Powered by Everbridge

Your safety is our top concern. That’s why Stone County wants to make sure you know about emergencies and incidents as they happen. By opting into the Stone County Citizen Notification System, you’ll be informed if an incident occurs that could impact your safety.

The Stone County Citizen Notification System will allow us to send you messages about situations as they happen across multiple devices, including your home phone, mobile device, email, and more.

For this system to be a success, we need your contact information so we can reach you in the event of an emergency. Don’t worry – we will never sell or share your personal information with any third-party organizations.

HOW TO

ONLINE – <https://member.everbridge.net/453003085611789/login>
Click “Sign Up” to create your account and manage alerts
